

It is with a heavy heart we announce the passing of Tai Minh Luu. He died at the age of 62 on February 10th, 2024. Tai passed away surrounded by loved ones after a battle with cancer. Tai emigrated from Vietnam over 40 years ago and established his roots in Philadelphia. He was always joking with those around him and his smile was contagious. Tai was happiest while in the presence of his family.

He is survived by his brothers, Benny Luu and Chung M Luu and sisters, Hao Luu, Tu D Au, and Linh Au. He is survived by his daughters Luane Germano-Luu (Joseph) and Jennia Luu (Robert) as well as two granddaughters, Cora and Penelope Germano. He will be missed dearly by his friends, family, and those around him.

If you can do so, we encourage blood product donations with the American Red Cross. These donations allowed us to spend extra time with Tai in his time of sickness.
